

Virtual Summer School

Middle School (Grades 6-8)

2016-2017 School Year

Fulton Virtual provides online learning options for middle and high school students throughout the district, enabling greater flexibility for students aiming to recover credit or accelerate classes. Courses are teacher-led; instructors work with students, parents/guardians and other interested parties (e.g., counselors) to deliver course learning objectives and support the academic needs of each student. The offerings of Fulton Virtual provides varied and dynamic content, user friendly customization and personalization options, as well as opportunities for students at earlier ages to engage in learning virtually.

Virtual Summer School is an opportunity for Fulton County middle school students to accelerate or recover courses during the time between school years.

The summer sessions are condensed versions of content provided during the school year, and students must have their course requests validated by their counselor before being enrolled. For summer 2017, students who have previously failed a course have the opportunity to retake the course for free. All courses taken for the first time will require tuition. Students may take up to two courses* at no cost. Any additional courses will require tuition.

Completion Benchmarks: Students may work at their own pace but must make the required progress in their course by the benchmark dates. Students can work ahead and if a student will be on vacation they will need to work ahead to remain on target. Students not reaching the completion benchmarks will be administratively dropped from their course. Dropped courses will not appear on transcripts and will not receive a refund of tuition paid. Completion benchmark dates are noted on the Important Dates chart.

*Rising 9th graders are able to register for one class and may choose from General Health, Personal Fitness, or American Government.

Tuition

1 Class = \$225 (\$180 with free/reduced meal status) per course

*Students who need to retake a class may attend summer school provided by Fulton County Schools at no cost up to 2 courses. Additional courses require tuition.

Parents and students request courses through the Fulton Virtual School web page. Once a course request has been created, an email is sent to the student's home school for review by the counseling staff. If it is accepted, a follow-up email is sent to the parent/student requesting that they log back in to fulton.geniussis.com to pay for their courses.
